

Who Are We?

*The Civic Club is OUR
Community Centered Social Club.
Uniting the community through fun, festive
Social Events.*

The New Baltimore Civic Club was founded more than 75 years ago by local business owners. The Civic Club is a two part organization, fundraising for local community needs, and, just as important, we are a social club. The Civic Club gives back to the community in many ways. Over the years we have supported and continue to support the City of New Baltimore, Little League, The Boy Scouts of America, American Cancer Society, and annually offer a college scholarship to local students. In addition, we make our building available to area charity groups and causes for minimal rental charges to help defer overhead costs. We partner closely with the New Baltimore Goodfellows; the majority of members belong to both associations. The Goodfellows engage in several fundraising activities throughout the year to provide local children with an annual Christmas Party complete with a visit from Santa, and distribute toys to the needy in the immediate areas.
